Mr. George L. Cary
Legislative Counsel
Central Intelligence Agency
Washington, D.C. 29505

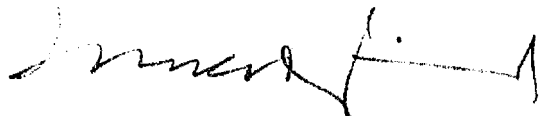

Dear Mr. Cary:

Recently I was contacted by an Oregonian who is working on a code which he believes may be useful to the Central Intelligence Agency. While I have no idea of the details of this code, I would like to provide this individual with details on how to share this information with your agency. I would greatly appreciate it if you could supply me with the correct procedure for working with your office on code systems.

Your attention to this inquiry is greatly appreciated.

Kind regards.

Sincerely,

Mark O. Hatfield
United States Senator
